

INTRODUCTION

Welcome to the Hanna Golden Eagle Band. You are a part of one of the most successful instrumental music programs in the state of Texas. There are many reasons for the success of a music program. This handbook will describe and outline some of these reasons and other aspects of our success.

The rules outlined on the following pages are simple and sound. Abiding by these rules allows you to fulfill an obligation to your school, to your fellow band members, to your family, and to yourself. Only when every member of the band puts forth 100% effort can a band attain its goals in musical achievement and service to school and community.

Please take special notice of the sections dealing with attendance at functions, progress reports, grading system, rehearsal procedures, uniforms, and important dates.

Parents and students are requested to read this entire handbook, discuss it, and keep it for reference for the school year.

Sincerely,

Dennis Ewing

1.0 HANNA BAND COURSE DESCRIPTION

The Hanna Band consists of several performing groups. All members of the band program are assigned by audition to one of these performing groups. Auditions are held twice per year; once each semester. New students are auditioned upon arrival. ALL members of the band program must meet the following MINIMUM COMPETENCIES:

1. Demonstrate a Bb concert scale one octave and an F concert scale two octaves, with a characteristic tone.
2. Count the rhythm patterns required for UIL Level 3 (middle school) sight reading.
3. Play the Hanna HS Alma Mater with a characteristic tone.
4. Percussion students will also demonstrate a paradiddle-diddle and a 9 stroke open roll at 86bpm with proper stick technique.

These MINIMUM SKILLS will be evaluated by the Hanna Band Staff BEFORE a student enrolls in the program. A majority of students will be able to play at a level higher than the listed program criteria. A student unable to meet the MINIMUM SKILLS may be denied enrollment in the band program.

1.1 WIND ENSEMBLE (concurrent enrollment in an Instrumental Ensemble class is required) This class is by audition only. Students that are chosen will be performing approximately one grade level beyond their current status. A student's selection to this class will be greatly influenced by the student's past record of personal discipline and their ability to function as a member of a team. Elements of music are approached through exercises of increasing difficulty, which present challenging, interesting, and enriching activities. Solo and group contests provide competitive opportunities for students to receive constructive criticism from judges outside the school district. This is an all year class. Attendance is mandatory. Students are required to pass all of their classes in order to be eligible for contests and performances. Students who demonstrate consistent inability to pass classes will be removed from the Wind Ensemble. Students not complying with the class requirements or not maintaining performance standards or discipline levels in keeping with an honors class will be removed from the Wind Ensemble at the earliest opportunity. Students will be required to sign a contract with a parent's signature acknowledging that they understand and will comply with the requirements of this class.

1.2 SYMPHONIC BAND (concurrent enrollment in an Instrumental Ensemble class is required) This class is by audition only. Students that are chosen will be performing approximately one grade level beyond their current status. A student's selection to this class will be greatly influenced by the student's past record of personal discipline and their ability to function as a member of a team. Elements of music are approached through exercises of increasing difficulty, which present challenging, interesting, and enriching activities. Solo and group contests provide competitive opportunities for students to receive constructive criticism from judges outside the school district. This is an all year class. Attendance is mandatory. Students are required to pass all of their classes in order to be eligible for contests and performances. Students who demonstrate consistent inability to pass classes will be removed from the Symphonic Band. Students not complying with the class requirements or not maintaining performance standards or discipline levels in keeping with an honors class will be removed from the Symphonic Band at the earliest opportunity. Students will be required to sign a contract with a parent's signature acknowledging that they understand and will comply with the requirements of this class.

1.3 CONCERT BAND (concurrent enrollment in an Instrumental Ensemble class is required) This class is by audition only. Students that are chosen will be performing approximately one grade level beyond their current status. A student's selection to this class will be greatly influenced by the student's past record of personal discipline and their ability to function as a member of a team. Elements of music are approached through exercises of increasing difficulty, which present challenging, interesting, and enriching activities. Solo and group contests provide competitive opportunities for students to receive constructive criticism from judges outside the school district. This is an all year class. Attendance is mandatory. Students are required to pass all of their classes in order to be eligible for contests and performances. Students who demonstrate consistent inability to pass classes will be removed from the Concert Band. Students not complying with the class requirements or not maintaining performance standards or discipline levels in keeping with an honors class will be removed from the Concert Band at the earliest opportunity. Students will be required to sign a contract with a parent's signature acknowledging that they understand and will comply with the requirements of this class.

1.4 CONCERT BAND B (concurrent enrollment in an Instrumental Ensemble class is required) This class is for those students involved in continuing preparation for advanced performance. These students may have one or more areas that may need attention to create an excellent player. Elements of music are approached through exercises of increasing difficulty, which present challenging, interesting, and enrichment activities. Solo and group contests provide competitive opportunities for students to receive constructive criticism from judges outside the school district. This is an all year class. Attendance is mandatory. Students not complying with the class requirements or not maintaining performance standards or discipline levels in keeping with an honors class will be removed from Concert Band B at the earliest opportunity. Students will be required to sign a contract with a parent's signature acknowledging that they understand and will comply with the requirements of this class.

1.5 INSTRUMENTAL ENSEMBLE (All Students) Instrumental Ensemble is a required class taken concurrently with the band class. The course is designed to assist students on a one to one basis, and is instrument specific. Elements of music are approached through exercises of increasing difficulty, which present challenging, interesting, and enrichment activities. All band members must be enrolled in this class unless there is a legitimate scheduling conflict with the magnet program or with graduation requirements. Every effort shall be made to accommodate this class in the student's schedule. The Director of Bands shall be notified in writing if there is a conflict that would limit a student's participation in this class. A conflict with another *elective* is not justification for non-enrollment. Not having this class could limit a student's participation in the Wind Ensemble or Color Guard. The Director of Bands will make exceptions on an individual basis.

1.6 MARCHING BAND: (all students: Fall Semester) Marching Band is an integral part of the band program that is used for school spirit and to demonstrate fundamentals of music and marching. Elements of music and marching are approached through exercises of increasing difficulty, which present challenging, interesting, and enriching activities. The marching band performs at all football games during half time. The Marching Band also participates in several marching contests during the year. All band members need to have a music lyre for their instrument for all marching band functions. Not having a lyre for all functions may result in a student's inability to participate at that function.

Attendance is mandatory at all rehearsals. After school marching rehearsals are held from 4:30 PM - 6:30 PM, Monday - Thursday (except game days). ALL absences regardless of being excused or un-excused require a signed note from a parent or guardian explaining the absence, and will require the missed time be made up so as not to affect a student's participation grade.

Music, played on the field, will be memorized and passed off for a grade weekly. This grade will count towards your six-week average.

You will sit in assigned seats at the football games (no trading). Only Hanna Band personnel are allowed in the band section. No dancing or playing instruments unless the full band is participating. No food is permitted in the band section. In order to maintain a uniform appearance on the field in accordance with UIL criteria, band members with long hair will need to conceal it in their hat, or will be required to get their hair cut shorter.

1.6.1 COLORGUARD: The Golden Eagle Band Color Guard is a vital and integral part of the Golden Eagle Marching Band. For current Golden Eagle Band Members wishing to be in the Color Guard, the Director of Bands and Color Guard Director will review each applicant's musical and social progress in the band. The applicant must agree to cover all fees and meet all practice times (summer/fall). The applicant must also agree to all terms in the Color Guard contract and sign the document.

1.6.2

For students who are not currently enrolled in the Golden Eagle Band but want to be a part of the Color Guard, certain requirements must be met. Prior grades will be reviewed. The applicant must have a passing record. The applicant must agree to cover all fees and meet all practice times (summer/fall). If chosen to be in the Color Guard, the applicant **MUST** sign up for the official color guard class and the after school (10th Period) Band Class offered at Hanna High School. The applicant must also agree to all terms in the Color Guard contract and sign the document. A final review by the Color Guard Director and The Director of Bands will determine whether an applicant will be allowed to be inducted as a Hanna Golden Eagle Band Color Guard member.

Being the in Hanna Golden Eagle Color Guard is a **privilege**. The highest standards of deportment are expected of its members. Failure to comply with the band & color guard hand book, school guidelines, and district rules will result in immediate removal from the Hanna Golden Eagle Color Guard.

1.7 DESCRIPTION OF DIFFERENTIATION FOR G/T STUDENTS: Identify goals and means in which the student's needs will be facilitated. Differentiation must include components of depth and complexity and strategies for differentiation (refer to SPR for ideas).

1.8 MULTIPLE BAND CLASSES: Students requesting to have more than one band class must have prior approval from a band director. Only one additional class will be allowed. The extra class should be used as a practice period, and NOT a socialization period. Members of the Color Guard will NOT be allowed a second band class.

1.9 DROPPING/ADDING BAND: A student that has been removed from, or has removed themselves from the band program may only rejoin the program with prior approval of the Director of Bands and Campus Administration.

2.0 MUSIC

Music, marching pouches, and folders will be checked out to band members in band. All band members are responsible for all music in their folders. You will have to pay for all lost music. Students will be charged replacement costs for school owned method books that are lost. Music that is not turned in one day after it is taken up is considered lost, and you will have to pay for it.

Music may be marked in pencil only and music must never be folded. You must number all measures in your music.

2.1 MUSIC BOOKS

The Brownsville Independent School District provides music books for use by students. The students are expected to keep these books in excellent condition. The books may be marked in with pencil only. **NO PEN**

3.0 REHEARSAL AND DAILY PROCEDURES

The following is the guideline to a successful rehearsal. These guidelines should be considered rules. Rule violations incur a penalty and a resultant action that is negative to the band. The student who violates the rules is responsible for reducing the amount of time for rehearsal and consequently hurting the entire band.

1. Enter the rehearsal hall in a quiet, courteous, and orderly manner.
2. Quickly get your instrument and music and take your seat.
3. A student will be considered tardy if they are not in their seat, ready to rehearse when the tardy bell rings.
4. Students will check the chalkboard for the agenda and put their method books and music in the order of the agenda.
5. Concert attention will be observed when the director steps on the podium and no further talking will be permitted.
6. Students will not play instruments without permission.
7. Cell phones are not allowed in the rehearsal setting, nor should they be visible on the student's music stand. Cell phones that disrupt the educational environment may be picked up and returned after a parent conference. Texting in rehearsal is NOT ALLOWED
8. Students will not play other student's instruments. This includes percussion and district owned instruments.
9. Band member should have the following for every rehearsal:
 - a. **INSTRUMENT** with the necessary accessories
 - b. **ALL MUSIC**
 - c. **PENCIL**
10. All schoolbooks, horn cases, and equipment not needed for the rehearsal should be left in the instrument storage lockers or bookshelves.
11. Good posture is of great importance at all times.
12. Music stands are for music. They are not to be leaned on or abused in any way.
13. If your instrument is in the shop, please bring a note from home. Bring your mouthpiece and music. There is always the possibility that we could provide a temporary instrument.
14. When class is over, quietly remain in your seat until you are dismissed.
15. You are expected to practice your instrument daily, outside of class time. You are highly encouraged to take your instrument home DAILY. While at school, you are provided a locker to secure your instrument when it's not being used. LOCK your lockers!
16. Students who do not bring their instruments to school will have points deducted from their participation grade.
17. No food or drinks will be allowed in the band hall.
18. No portable music listening devices are permitted in the band hall.

Gum chewing is not allowed!

3.1 DISCIPLINE

Band by its very name suggests oneness, teamwork, ensemble, great cooperation, with everyone striving for a common goal. This all comes at a time in a high school student's life when they are striving for individual identity. A very small number of students find that they cannot make this kind of sacrifice and become disruptive discipline problems for the band director. These students will not be allowed to affect the quality of learning taking place in that band class. Continued problems will result in that student being moved down to a lower level band or to another elective. Band students need to accept responsibility for their actions, good or bad, and go on.

All discipline problems will be handled on an individual basis.

1. First offense -- warning
2. Second offense -- parental contact, student may write an essay on discipline and/or be assigned to band detention.
3. Third offense -- student will take discipline letter home to parents for signature to be returned the next day.
4. Fourth offense -- referred to administration.

The following are general rules that will be adhered to at all times:

1. NO drinking of alcoholic beverages prior to or at any function will be tolerated.
2. Drugs will not be tolerated! If you are caught with drugs, you will be immediately expelled from the band.
3. No weapons are allowed at anytime on school grounds or any school activity.
4. No inappropriate language in the band hall or at a band function will be tolerated.
5. The Golden Eagle Band hall is for rehearsing music and practicing. There will be no loitering in the band hall.
6. There will be no "horse-playing" or inappropriate behavior in the band hall or during band functions.
7. Students found guilty of theft or destruction of school property or property of other students will jeopardize their participation in the band program.
8. No inappropriate signs of affection are permitted in or around the band hall area.
9. Any student who is assigned to ISS may be prohibited from participating in "out of classroom" band activities for the duration to the ISS term.
10. Any student who is assigned to Alternative school will be automatically prohibited from participation in the Hanna Band Program for the duration of their time at the Alternative School. Their future participation in the band will be at the discretion of the director.

The Golden Eagle Band has a Zero Tolerance policy regarding hazing and/or bullying. Students who have hazed or intentionally bullied other students will be removed from the Hanna Golden Eagle Band Program, and referred to the proper authorities.

Any suspicion of alcohol or drug use or possession of any of these substances, while on campus or off campus on a school sponsored activity, may result in a search of belongings.

As Per BISD Policy, the following conduct violations can result in removal to the Brownsville Academic Center:

Misuse of Technology Resources and the Internet:

- Violate policies, rules, or agreements signed by the student or the student's parent regarding the use of technology resources
- Attempt to access or circumvent passwords or other security-related information of the district, students, or employees or upload computer viruses, including off school property if the conduct causes a substantial disruption to the educational environment
- Attempt to alter, destroy, or disable district technology resources including but not limited to computers and related equipment, district data, the data of others, or other networks connected to the district's system, including off school property if the conduct causes substantial disruption to the educational environment
- Use the Internet or other electronic communications to threaten district students, employees, or volunteers including off school property if the conduct causes substantial disruption to the educational environment
- Send, post, or possess electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal, including cyberbullying and "sexting", either on or off school property if the conduct causes substantial disruption to the educational environment
- Use e-mail or web sites to engage in or encourage illegal behavior or threaten school safety, including off school property if the conduct causes substantial disruption to the educational environment

3.2 GRADING

BISD policy is followed for grading purposes. Ensemble class grades will be based upon the following criteria:

2 Grades Per Week – 1 major and 1 minor assessment per week.

Minor Assesment (100 pts a week)

***Class Participation**

- Each day holds a possibility of reaching a maximum of 20 pts.
- Class Preparation of Materials and Supplies (reeds, sticks, mallets, mouthpieces, etc) **15pts**
- Pencils, Folders, Music, Drill Binders, Flip Folders, Lyres **5 pts.**
- If a student does not bring their instrument to class, they will receive a deduction of all 20 pts available that day
- The only valid excuse for not having an instrument is if the instrument is in for repair. If repair is made out of district, then documentation must be presented as to when the instrument first went in for repair and was sent back fixed. (A copy of the bill will suffice)

Major Assessment (100 pts a week) *“Always on Friday”*

---Criteria assessed

- Tone quality/production
- Technical Facility

- Musicality

---Music assessed can be chosen from:

- Stand tunes, scales, arpeggios, lip slurs, warm-up routine, note & rhythm recognition and demonstration of mastery of skills
- Marching music pass-offs

10th Period or “Zero Hour” Band Class:

This is a performance based class. Absences, either excused or unexcused, must be made up. An excused absence can only be granted with prior notification in writing. Emergency situations require a phone call as soon as possible. The number to the band hall is (956) 548-9918. In the event of an emergency absence, the student shall bring in written documentation to the band director upon arrival back to class. Any failure to do so may result in a penalty to the student's grade.

2 Grades Per Week – 1 major and 1 minor assessment per week.

- Class Preparation of Materials and Supplies (reeds, sticks, mallets, mouthpieces, etc) **15pts**
- Pencils, Folders, Music, Drill Binders, Flip Folders, Lyres **5 pts.**
- Daily active participation in rehearsals. Failure to show up will result in the loss of all 20 pts for that day. If the absence is excused, documentation must be presented and the time must be made up to receive the daily 20 pts.

Major Assessment (100pts a week)

- Tone quality/production
 - Technical Facility
 - Stand tunes, scales, arpeggios, lip slurs, warm-up routine, not & rhythm recognition and demonstration of mastery of skills
 - All Performances, Contests, Parades, Concerts
- Any missed performance will result in a grade of 0

3.3 PRACTICE

Band students at Hanna High School should be prepared to devote a minimum of thirty (30) minutes daily to individual practice. The rewards of playing a musical instrument increase in direct proportion to the number of hours invested in individual practice. These rewards include chair placement, grade, and self-satisfaction. There will be many times during any seven-day period when more time than thirty (30) minutes can be devoted to practice. The key is to set aside a certain time every day for practice. Set up a daily schedule to insure that practice is an important part of your daily studies.

3.4 ATTENDANCE

Attendance is required for all rehearsals and public performances of the various performing groups that make up the Hanna Band Program. One primary purpose of any band program is the preparation for and participation in public performances and contests.

Public performances: Most dates for public appearances are announced weeks and even months in advance. Excused absences from public appearances will be granted in cases of genuine emergency only, such as serious illness of the student or death in the family. Please call if such an emergency arises. Jobs, family trips, etc. do not justify absences. Students who feel they have an excused absence, and do not discuss it with the director **before** the performance and miss the performance, will be automatically moved down a band.

An unexcused absence from any public appearance is very serious and will be dealt with as an individual case. No person may remain in the performing band that is unfaithful in attendance.

Band rehearsals: The bulk of our work will be done during the regular band and ensemble periods. DO NOT ask to be excused from this period except in emergencies, where you are urgently needed. School policy will prevail in dealing with unexcused absences and tardies during all rehearsal times. If a student has two (2) or more unexcused absences, that student may be moved down within his/her section and/or to a lower band.

3.5 BAND OFFICE

The band office is the nerve center of the band hall. Band members must refrain from congregating in the office at all times unless they have business with the directors. Any time the director has visitors in the office, all band members must refrain from interrupting. School policy applies concerning use of the phone. Band members must ask the director's permission before using the phone.

Band members who have business in the office should first knock and ask for permission to enter. Never enter the office without permission when a director is not present.

4.0 ELIGIBILITY - EXTRACURRICULAR ACTIVITY

Texas Law:

"A student enrolled in a school district in this state shall be suspended from participation in any extracurricular activity sponsored or sanctioned by the school district during the grade reporting period after a grade reporting period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class."

Extracurricular activities as stated above include All-City Band, All-Valley Band, Solo and Ensemble Contests, parades, band festivals, and certain special concerts. All students are eligible to play in the concerts that are given throughout the school year on school grounds. All students are eligible to participate in the UIL Concert & Sight Reading Evaluation.

5.0 CONCERT ETIQUETTE

Since performance is a major objective of any band, concert etiquette must be learned and practiced.

1. While in the audience, one should remain seated until the end of the performance. Having people walk around is very distracting to the performers and to other members of the audience.
2. While a group is performing, there should be no talking in order to allow the other people to enjoy the concert.
3. At the end of each selection, the audience should applaud. Shouting or whistling is not acceptable.

Stage Etiquette for Chamber Ensemble Performances

- I. Entering the Stage
 - A. Come in quickly in the order you will be playing
 - B. Stand at your position on stage and SMILE!!!!
 - C. Do not put your music on the stand until the group has bowed.
 - D. When all players have reached their positions, the last one onto the stage will lead a group bow.
 - E. You will be able to sit down at this point.
 - F. Music may be placed on the stands and arranged.

- II. After the last note
 - A. All players should stand as soon as the piece is over.
 - B. The same person who led the bow before will lead the group in this final bow.
 - C. SMILE!!!!!! (whether the piece went well or not – remember that if a mistake was made, most of the audience will not know about it unless you signal it with your facial expressions)
 - D. After the bow pick up your music and leave the stage quickly. Leave in the same order that you came in.

- III. Concert Attire (Dress)
 - A. Let the audience know you value their attendance by wearing nice clothing.
 - B. Girls
 - 1. Wear a nice blouse (no bright or distracting colors or patterns).
 - 2. A skirt or slacks (*skirts: below the knees* – people in the front row will be about 3 feet below the stage)
 - 3. Wear nice shoes (no sandals, casual wear, or tennis shoes – no Dr. Martins)
 - C. Boys
 - 1. Wear slacks (no jeans).
 - 2. Wear a nice button down shirt (long sleeve) with a tie.
 - 3. Wear nice shoes (no tennis shoes, boots, or Dr. Martins – if you don't have nice shoes, wear your black band shoes)
 - 4. Wear dark socks (no white socks)

Hopefully all students will appreciate the opportunity to hear other groups perform. Should there be a problem with any student during a concert, that person may be asked to leave and may not be allowed to perform on the next concert.

Remember that you must set an example of personal discipline. Be polite. Politely applaud regardless of your impression of the performing group. Do not be negative.

6.0 STUDENT LEADERS

The Hanna Band maximizes our resources and encourages student leadership. To this end there are a number of positions open to upper classmen. Their duties are as follows:

6.1 Drum Majors

Directs the marching band, both on and off the field. They are considered the directors' assistants and are the students responsible for the morale and discipline of the marching band.

a. Drum major auditions, if needed, will be held at the end of the year in preparation for the upcoming marching season. Students that will be Juniors or seniors the following year will be allowed to audition. The Director of Bands will choose a panel of judges (band directors from schools other than Hanna High School). These judges will evaluate students wishing to audition for the position of drum major and assistant drum major. In order to try out for drum major, you need to have auditioned and earned a chair in the All-Valley Region Band or at UIL solo/ensemble and received a 1st Division, Superior, rating.

b. Only three students will be chosen for the positions of the Drum Major, assistant drum major and Drum Major field assistant. In order to sign up for drum major auditions, a student will need to speak with the director of bands and fill out an application. Students will need to conduct a piece of music that has been chosen in advance. The judges, to determine leadership abilities, will interview the students.

c. Drum majors are expected to maintain the highest level of integrity throughout the entire school year, as they are ranking representatives of the band. If the integrity of a drum major is in question, whether scholastically or morally, the Director of Bands reserves the right to remove an individual from his position and that position will be replaced with the next candidate selected in the original audition.

d. The Director of Bands reserves the right to approve the judges' selection of drum major or assistant drum major. This will be based on the student's past musical performance, and overall behavior in the Hanna Band.

3. Assisting the director during rehearsals.

7.0 CONTESTS

The Hanna Band and its directors feel that placing students in competitive situations is an important part of student growth and achievement. Therefore, we participate in several different types of competitions.

7.1 UIL MARCHING BAND CONTEST

The UIL Concert Marching Band Contest is a very important event each year. The Marching Band performs an 8-minute marching show for three (3) judges. The band directors of the UIL region select these judges. These judges are selected based on their excellence as band directors.

7.2 ALL-VALLEY BAND & ORCHESTRA

The All-Valley Band is a performing organization that uses the best high school band players throughout the valley. Members of the All-Valley Band are selected based on an audition of prepared music. Those band members selected for the band will be involved in a clinic and concert under the leadership of a well-known conductor. It is an extreme honor to be selected to this event. Hanna has always been well represented.

All Hanna band members are encouraged to participate. Extra credit will be given for this event. Successful completion of this audition process leads to Area and All-State organizations.

7.3 UIL CONCERT & SIGHT-READING EVALUATION

The UIL Concert Band Evaluation is a very important event each year. Each band performs three (3) prepared pieces of music for three (3) judges. The band directors of the region select these judges. Those persons using school equipment must fill out an agreement of use form, have it signed by the parent, and return it to the director. Any damage you cause to school equipment will be repaired at your expense.

8.5 UNIFORM

 - b. **NO JEWELRY!** (watches, earrings, rings, bracelets, etc.) The only exception will be senior class rings. **THERE ARE NO OTHER EXCEPTIONS TO THIS RULE.**
 - c. You will wear black socks and black band shoes with your uniform. To clean your black band shoes, you may use a household cleaner such as Lysol Direct, Formula 409, or just plain soap and water. **NO BLACK SHOE POLISH.** If the shoes become too scuffed or worn, you will need to purchase a new pair.
 - d. You will wear the designated band dry-fit t-shirt under your band uniform jacket.
 - e. You will be assigned a rain coat with your uniform. It is to be used only in the event of rain when in uniform.
 - f. Uniforms will be distributed before a performance. You will be wearing your black socks, black band shoes, T-shirt, shorts, and no jewelry. The uniform staff will check to see if you are equipped with the correct under-uniform. If you are incorrectly dressed, you will not get a uniform.
 - g. Your band hat is a very expensive piece of equipment. It must remain in the hatbox when not in use. The band hat, when worn, is to be worn in the correct manner befitting the uniform of the Golden Eagle Band.
 - h. Once you return your uniform after a performance, it will be hung up with the pants and coat correctly placed on the hangar so as not to wrinkle the uniform.

- i. NO food will be eaten while you are in the stands. During 3rd quarter break, you may consume food and beverages.
- j. Your uniform pants must be 2" from the ground. We know this looks like "high-waters," but it will make our band look very sharp.
- k. If you do not have all of your fatigues (i.e. black socks) you will not be allowed to perform. If you do not perform, you will receive a failing grade for that performance.

All travel by the Golden Eagle Band is subject to the travel guidelines set forth by the Brownsville Independent School District School Board.

Throughout the year, the band travels off campus to football games, concerts, contests, and auditions. As a member of the Golden Eagle Band, you are an ambassador of our school, community and city. You are expected to maintain the highest standards when you are representing the Golden Eagle Band.

All trips, concerts, and activities outside of scheduled classes are considered a privilege and not a right. Student must follow all lawful instructions given by the Band Directors at all times during band activities. 10.0 BAND BOOSTERS AND FUNDRAISING

10.1 BAND BOOSTERS

The Golden Eagle Band Boosters Association is a 501(3)(c) non-profit organization sanctioned by the Internal Revenue Service. The Hanna Golden Eagle Band Boosters Association is a non-profit organization composed of band parents that assists the band directors with fund raising and chaperoning for the band.

There are many times during the school year when the band will need the support and help of parents. The band boosters welcome all parents to attend band booster meetings. Band members will take a notice home of all band booster meetings.

The President of the Hanna Golden Eagle Band Booster Association chooses chaperones, for the football games. Chaperones for other activities will be chosen based on volunteer hours. The booster members that have the greatest number of hours will be asked to chaperone. The director of bands will set the required number of chaperones each activity.

10.2 FUNDRAISING

The Golden Eagle Band Boosters Association sponsors fundraisers for the band students throughout the year. Fundraisers and due dates are discussed with the students prior to the beginning of the fundraiser. Students who do not pay by the deadline place an unnecessary burden on the boosters. Due dates are necessary as there are deadlines for deposits for trips.

Members of the Golden Eagle Band will have an opportunity to take a trip of some type each year. Each member of the Golden Eagle Band will have an individual account established and will be responsible to earn their way. If the student and parents do not wish to fundraise, they may pay directly into their respective accounts. Payments may be made with cash, check, or money order. Please make checks payable to "Hanna Golden Eagle Band" Account balances are not transferable. Unused balances will become property of the Hanna Band Boosters Association. Any refunds of direct payments will be based on the tour companies refund policy. Deposits are not refundable under any circumstance.

The director of bands will, at the beginning of the school year, establish payment deadline dates. These payment deadline dates must be strictly adhered to as we are obligated to make our payments to the travel agency.
